- **Expert Lecture**

Expert lecture delivering on "AutoCAD" by Mr. Rajesh Shelke

An Expert Lecture on "AutoCAD" was organized by the Department of Civil Engineering on 29th August 2016 for the students of second and third year Civil Engineering students. The lecture was delivered by Mr. Rajesh Shelke, Business Manager, Access CADD, Nashik. The expert lecture was inaugurated by Mr. D.S. Kurhade. In this lecture Mr. Rajesh Shelke discussed importance of AutoCAD and recent use of AutoCAD in Civil Engineering Business. The Students get motivated by the guidance. They found the session very useful for their future.

- **Industrial Visits**

Visit 1) SYCE students at RMC Plant, near Atharva International Off Airport Road, Jaulke, Nashik

The Civil Engineering Department has arranged an industrial visit to RMC Plant, Anmol Build Matx Pvt. Ltd. on 13th August 2016. Mr.Bagga,(Quality Controller) has explained the meaning of RMC as well as various necessities regarding uses of RMC. He explained the company history and its developement, various products which are manufactured in the company , etc. He explained the use of RMC in the construction of Airport Pavement. He also gave information about the polymer fibre reinforced concrete. Various types of machinaries were there which make the construction speedy and easy. The students of second year along with 3 staff member attended the visit.

- **Study Visits**

Visit 2) TYCE students at Workshop, K.K.Wagh Polytechnic, Chandori, Nashik

A study visit was organized by the department of **Civil Engineering** for third year students at Workshop, K.K.Wagh Polytechnic, Chandori on 13th August 2016. Ms. N.N.Desai gave the brief introduction about Design Of Steel Struucture.. Mr. D.S.Dighe gave information about the various component parts of truss and types of trusses. Students observed and studied about truss and Design of truss. This visit proved very beneficial to students as they got the overall idea about the Design of truss.

- **Expert Lecture**

Expert Lecture of Prashant G. Mogal on 23 rd August- 2016

Electrical Engineering department has organized Expert Lecture of Prashant G. Mogal Sr. Engineer in ABB Ltd . Satpur. Student Learnt about Interfacing of Microcontroller for various applications in project. Mr. Mogal focus on necessity Programming in automation. Student must develop use full program for Industrial application by using Micro controller application.

- **Independence week Celebration.**

Independence weekCelebration on 26 August 2016

Electrical Engineering department had participated and celebrated Independence week. On this occasion Institute level visit was arranged at Swatantrya Veer Sawarkar Smarak . Student came to know about great sacrifice of Vinayak Damodar Swavarkar for revolutionary movement of Indian Freedom.

- **Industrial Visit**

Faculty Training program arranged on30 August -2016.

Electrical Engineering department had organized Visit to Hydro-electric power plant situated on river Vaitarna. Student Learnt about generation plant. The power is developed on flow of water through dam in tail race region. Total two plants are running 1.5 M.W. and 60 M.W. N.S.Gorhe and A.S.Sonawane sir make co-ordination for   Visit Mr. Dange gave information about 1.5 M.W. while Mr. Ingale gave information regarding 60 M.W. power supply.

- **Expert Lecture**

Lecture by Mr. Yuvraj Vadje, UV Knowledge Link Pvt. Ltd. ,Nashik on "CAD CAM"

Mechanical Engineering Department had organized an Expert talk of Mr. Yuvraj Vadje, UV Knowledge Link Pvt. Ltd. ,Nashik on "CAD CAM"on 22nd Aug 2016 .Second year students of mechanical have taken the benefit of this programme. He shared various uses and benefits of design software like AutoCad,CATIA and PRO-E.

- **Expert Lecture**

Lecture by Mr. D K Padol, Project Engineer, Roman Automation, Pune on "PLC"

Mechanical Engineering Department had organized an Expert talk of Mr. D K Padol, Project Engineer, Roman Automation, Pune on PLC on 22nd August 2016 .Second year students of mechanical have taken the benefit of this programme. He shared his lknowledge of PLC and its industrial Application with students.

- **Workshop Skill development**

Skill Development workshop

In this academic year, institute has successfully organized the workshop on "Skill Development Programe "from 24th Aug to 26th Aug 2016 . The resource person for this workshop was Mr. Shivraj Patil, Trainer, Art of Living and skill development, Nashik. This workshop was really helpful to the engineering students in which they learnt how personality and Skill is developed and which factors affect the individuals personality. Students were too excite with this event and felt very happy throughout the sessions. All third year students were attended the workshop.

- **Expert Lecture**

Ms.Rajesh Shelke delivering expert talk on ''Communication Skill '

The Computer Engineering Department had organized the Expert Lecture on '' on 29th August 2016 for the Second and Third Year Students of Computer Engineering at 01:30 to 03:30 pm. Speaker for the Expert talk was Mr.Rajesh Shelke. Business Manager at Access CAD, Nashik . Mr. Rajesh Shelke sir share his views about communication ethics, effectively communicate with unknown person, verbal communication, scale of progress. He also explained How to build up self-confidence? etc. The felicitation is given by Mr. M. N. Jadhav, HOD CO, the vote of thanks is given by Mr.C.D.Kokane, Lecturer ,CO department.

- **Expert Lecture**

Mr. Umesh S. Chitte delivering expert talk on 'Online Trading and Online Employment Registration'

The Computer Engineering Department had organized the Expert talk on 'Online Trading and Online Employment Registration' on 16th August 2016 for the Second and Third Year Students of Computer Engineering. Speaker for the Expert talk was Mr.Umesh Chitte, CMS Corporation Ltd, Dadar Mumbai. He is having industrial as well as social experience of approximate 6 years. He introduced the concept of Online trading in that how every student of Computer can earn money from share marketing, He cleared prime concept about share marketing, How to purchase share of different Companies etc. Mr. Chitte was taken online demonstration of same. He discussed about the details of Nifty organization and all basic things about marketing.Mr. Chitte described importance of Employment registration with certificate and id, passwords The felicitation is given by Mr. M. N. Jadhav, HOD CO department and the vote of thanks is given by final year student, CO department.

- **Report on Visit to Savarkar Waada, Bhagur at Chandori. For SY & TY Students**

Computer Engg. Student's visit to savarkar vaada at Bhagur.

To celebrate independence week visit to **Veer Savarkar Waada**, Bhagur was organized by '**Advai**t', Student council of K.K.Wagh Polytechinc, Chandori. for the   Second and Third Year students on 26th ^{Aug} 2016. In this visit following points are instructed to study and prepare for History of Savarkar Waada, to tribute to grat freedom fighters , location and Structure of Savarkar Waada, rare photographs of Veer Savarkar, Veer Savarkars patriotic icons .

- ## Expert Lecture

Ms.Rajashri Gadhe delivering expert talk on 'Software Engineering '

The Computer Engineering Department had organized the Expert Lecture on 'Software Engineering' on 16th August 2016 for the Second and Third Year Students of Computer Engineering at 01:30 to 03:30 pm. Speaker for the Expert talk was Ms.Rajashri Gadhe, Director of LO-TECH PRO, Nashik . Total beneficiary for Expert lecture was 20 . She focused enough to deliver an informative session on concepts related to Software Engineering. She discussed about software development process models, software cost ,software products as well as different software testing techniques such as Alpha testing, Beta testing, White Box testing ,Black Box testing and Regression testing etc.

The felicitation is given by Mr. M. N. Jadhav, HOD CO department and the vote of thanks is given by final year student, CO department.
