

Parent Teacher Meet

The Parent Teacher meet for the Academic Year 2016-2017 was held in K. K. Wagh Polytechnic, Chandori, on the 11th February 2017 from 10:30 am. To 12:30 pm. The main purpose of meet was to create a common platform, where teacher and parents come together to enrich the student's educational experiences and discuss variety of issues, regarding all round development of students.

The Parent Teacher meet was started at 10.30 am by lightening the lamp followed by welcome all the Parents and Teachers. Welcome address and introductory speech was proposed by Prof. J M Patil, Head, Electrical, he explained how KKWPC offer the best possible learning environment for the students.

The detailed discussion on the Academic schedule and guidance carried out by Prof. H M Gaikwad Head, Department of Science. He explained how such meetings develop the quality of communication between parents and teachers which will allow making plans, set goals, solve problems, and establish the relationship between parents and teachers. He also talk on exam schedule, exam pattern, students attendance, new schemes of MSBTE and also announced the names of toppers in various department. After that all parents are requested to express their views and give suggestions for improvement. Following suggestions are given by parents,

1. Buses of MSRTC are not available in college timing
2. No teacher shall be replaced during the semester

Parents gathered for Meeting

Seminar/Training/Workshop organized

Expert Lecture on "Industrial Automation"

An expert lecture association. Mr J. M..Patil .(Head of Electrical Department) felicitated the resource person. Miss. Pooja R. Medhane (Service Engineer) of CAT India , CBS Nashik .On 22nd January - 2017 From 11.30 to 1:30 afternoon Miss. Pooja R. Medhane guided the students regarding the concepts of Industrial Automation; TYEE student gets information about maintenance procedures of reading Ladder diagram. She also explained the concepts related different techniques of Automation. Mr. Miss. Pooja R. Medhane share practical experience with students by his video clips. The question answer session for interaction is performed during this session.

Mr. Miss. Pooja R. Medhane hane (Service Engineer) of CAT India , CBS Nashik delivering the session

Expert Lecture on "Study of Different installation Accessories "

Electrical Engineering department organized Expert Lecture of Mr. Vishnu E. Dhake (Consign Engineer with K. K. Wagh Institute on 14th January - 2017 from 12:00 to 2:00 afternoon with topic Study of Different installation Accessories. TYEE and SYEE Student gets information about Electrical Installation .

Mr. Vishnu E. Dhake (Consign Engineer with K.K.Wagh Institute Nasik) delivering the session

Expert Lecture on "Welding Processes"

Mechanical Engineering department had organized Expert Lecture of Mr.Sandip Sahane, Urre Plus, Sinner on " Welding Processes" for second year students on 13th Feb 2017 from 10:00 to 11:30 am This Lecture has given the students not basic concept but also provided knowledge of all welding processes and their practical applications in industry

Prof. Subhash Rajguru, Director, Maharudra Career and Management on "Personality Development"

Expert Lecture on "Welding"

Mechanical Engineering department had organized Expert Lecture of Mr. Gaurav K Dhonagade on "Welding" for second year students on 25th Feb 2017 from 2.00 to 3.30 pm. This Lecture has given the students not basic concept but also provided knowledge of all welding processes and their practical applications in industry

Expert Lecture of Mr. Gaurav K Dhonagade on "Welding"

Industrial Visit to Saiganesh Plastic Enterprises, Chandori

The Department of Mechanical had organized an Industrial visit to Saiganesh Plastic Enterprises, Chandori for Second Year Students on the 09 Feb 2017. In this visit the students and provided the information about the Manufacturing of plastic bottles Fifty students attended the visit along with staff members, Mr..Pangarkar and Mr.Kandekar

Visit to Sai ganesh Blowing Enerprises, chandori

Industrial Visit to Panchkrishna Service Station

The Department of Mechanical had organized an Industrial visit to Panchkrishna Service Station, Chandori for Third Year Students on the 09 Feb 2017. In this visit the students and provided the information about the Hydraulic system. 120 students attended the visit along with staff members, Mr. Sanap V R and Mr. Shinde U S

Visit to Panchkrishna Service Station, Chandori

Industrial Visit to IGTR, Aurangabad

The Department of Mechanical had organized an Industrial visit to IGTR, Aurangabad for Second Year Students on the 10th Feb 2017. In this visit the students and provided the information about the Various manufacturing processes. 50 students attended the visit along with staff members, Mr. Sahane Y V and Mr. Raijade S B and Mrs. Satalkar P A

Visit to IGTR, Aurangabad

Industrial Visit at K.K.W. Arts Commerce Bldg.

The Civil Engineering Department had arranged an industrial visit at K.K.W. Arts Commerce Bldg. Retaining wall, Pimpalas, Tal-Niphad, on 22nd February 2017. Ms. Neha N.Desai had explained the Component parts of Retaining wall and its purpose. She also explained the Types of retaining wall and suitability of every type . She explained the importance Retaining wall. it is used to reduce earth load coming on structure and it reduces the land slides in hilly area . The students of second year along with 3 staff member attended the visit.

Visit of SYCE students at K. K. Wagh ,Arts Commerce college Pimpalas, Nashik

Industrial Visit at Vermi Composting, Anandwali, Nashik

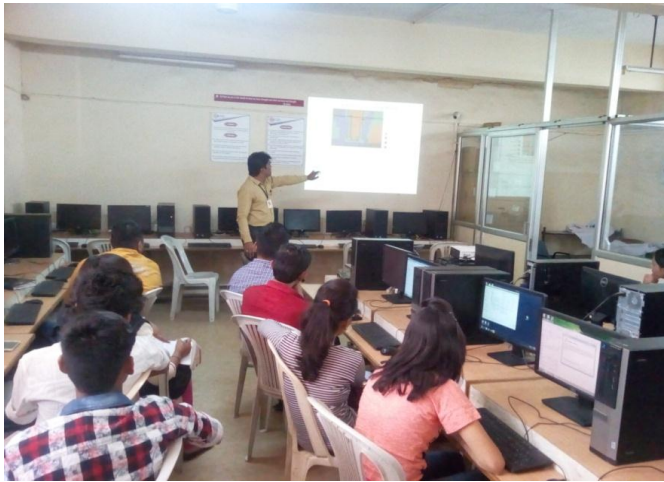

The Civil Engineering Department had arranged an industrial visit at Vermi composting, Ananadwali Gangapur Road Nashik, on 23rd February 2017. Mr. Joshi had explained the process of vermin composting and the respective procedure to be followed for the Composting. The students of third year along with 3 staff member attended the visit.

Visit of TYCE students at Vermi composting,Gangapur Road

Industrial Training at KIT College, Kolhapur

The Civil Engineering Department had arranged an GIS (Geographic Information System) training in KIT College Kolhapur, on 26th and 27th February 2017. Mr.Akshay Thorvat and Mr. Shital Warur sir had explained the basics of GIS and Remote sensing and its application in civil engineering. Also they taught the QGIS software. The Ten students of third year along with 1 staff member attended the Training.

Three Days Workshop on “Software Testing”

Department of Computer Engineering organized a three day's workshop on Software testing, dated on 10/02/2017 (Friday) to 12/02/2017 (Sunday) from 9.00 am. To 3.30 pm. The resource persons Mr.Rajiv Shirsalkar (Director, LO-TECH PRO,Nashik) and Miss.Rajshri Gadhe are having a lot of Experience in the area of Software Testing. The Workshop was arranged for SYCO and TYCO students. Following are some important topics which are covered in the workshop as,

- What is Software and Software testing concept.
- What are different approaches of software testing (Top down and Bottom up approach)?
- Introduction of different testing tools.
- How to test a product with alpha and beta testing techniques.
- How quality product is developed by testing methodologies.
- What is job played by software tester in software development life cycle?
- How to test a website by using automated testing tools.

Practical Session

Three Days Workshop on “Entrepreneurship Awareness Camp”

Department of Computer Engineering of K. K. Wagh Polytechnic has successfully conducted 03 Days workshop on Entrepreneur Awareness Camp (EAC) for Third year students between 16th feb.2017 to 18th Feb. 2017.

The programme was inaugurated by Prof. Mrs. V. R. Khapli, Principal, K. K. Wagh Polytechnic Chandori, and Mrs. Yogita Jagdhane, from Free Lancer Company.

Different Resource persons for the programme were Mr. Vishal Wagh, Udogwardhini, Nashik, Mr. Sunil Chandak, Director, Udyogwardhini, Mr. Nikhil Tarle, Director, Crennovative Power-Tech, Gangapur Road, Nashik. Mr. Mahesh Gadhakh, Founder, Crennovative Technologies, Nashik. Mr. Nitin Bunage, Director, Positive Printing Technology, Positive Wheels, Mr. Ravindra Zope, Director, Shree Ganesha Industrial Control, Nashik etc.

In this workshop, they covered different topics to become good entrepreneur such as Goal Setting, Startup Process, and Opportunities in the Market, Financial Management, Market Survey Techniques, Project Report Preparation, Experiences in SSI, Opportunities in IT industry &

Experiences in SSI, Experiences in SSI & Virtual Marketing Tools, etc. The workshop was successfully conducted and it found to be very useful for the participants.

Inauguration ceremony of workshop

Valedictory function

Environmental Study Visit

Computer Engineering department organized visit at Pandav Leni & Dadasaheb Phalke Smarak, Nashik on Thursday, 23/02/2017 for SYCO students. Mr. A. D. Talole, Lecturer in CO, K. K. Wagh Polytechnic Chandori and Mr. C. D. Kokane, Lecturer in CO, K. K. Wagh Polytechnic Chandori explained environmental issues and their study. Various Tree/Plants, Birds/Animals were observed during this visit. Also Water/Soil/Air pollution was also observed & certain corrective measures provided to their local authority.

Environmental Study Visit at Pandav Leni & Phalke Smarak

Student Achievement

Electrical Engineering department participated Poster competition in Engineering college at Chincholi. Our College student Dipali Suresh

Khalkar is awarded by trophy on 28th 2017. The theme of poster declared was "World peace make in India". Prof A.V. Gawai guided this student

Miss.Khalkar Dipali Suresh(SYEE-Sudent) awarded by prize on 28th February 2017 for Poster competition.

Prof. Mrs. V. R. Khapli
Principal
