

Seminar/Training/Workshop organized by Department of Electrical Engineering

• Expert Lecture on “How to prepare for the Interview”

Electrical Engineering department had organized Expert Lecture of Mr. S.D. Rajguru, Director of Maharudra Academy, Konark Nagar Nasik on 7th January - 2017 from 2:30 to 3:00 pm . SYEE Students got information about How to prepare for Interview. Mr. S. D. Rajguru also made awareness of different Interview Techniques.

Mr. S.D. Rajguru (Director of Maharudra Academy) delivering the session on “Project Management”

• Expert Lecture on “Maintenance of Substation Equipments”

An expert lecture association. Mr J.M.Patil .(Head of Electrical Department) felicitated the resource person. Mr. R.B.Bhavsar Retired Executive Engineer MSEDCL Nasik. On 13th January - 2017 from 12:00 to 1:00 afternoon Mr. R.B.Bhavsar guided the students regarding the concepts of Maintenance of Substation Equipments; demonstrations. Later he described about the various certifications related to security domain. TYEE student gets information about maintenance procedures of Substation Equipments. He also explained the concepts related different techniques of maintenance. Mr. R.B.Bhavsar share practical experience with students by his vedio clips. The question answer session for interaction is performed during this session.

Mr. R.B.Bhavsar (Retired Executive Engineer MSEDCL Nasik) delivering the session on “Maintenance of Substation Equipments”

• Expert Lecture on “Electrical Safety”

Electrical Engineering department organized Expert Lecture of Mr. Ganesh W.. Chakurkar –(Additional Executive Engineer MSEDCL Nashik), Prashant R. Dhawale (Dy. Executive Engineer MSEDCL Nashik), Sachine B. Jadhav, (Assistant Electrical Engineer MSEDCL Nashik) on 16th January 2017 from 12:00 to 2:00 afternoon on topic “Electrical Safety”. TYEE and SYEE Student gets information about Electrical Safety. Mr. Ganesh W. Chakurkar give different techniques of safely working in Industrial Sector .

Mr. Ganesh W.. Chakurkar (Additional Executive Engineer MSEDCL Nasik) delivering the session on “Electrical Safety”

• Expert Expert talk on “25 KV-A.C. TRACTION”

Electrical Engineering department organized Expert Lecture of Mr. A. D. Joshi Senior Engineer (TRD) Nashik on 24th January 2017 from 11:30 to 1:00 afternoon. TYEE Student gets information about 25 K.V. AC. Electric traction. Mr. A.D. Joshi sir gives different techniques of accident Free Locomotive transportation.

Mr. A.D.Joshi (Senior Engineer (TRD) Nashik, delivering the session on “25 KV - A.C. TRACTION”

• Expert Lecture on “Personality Development”

Mechanical Engineering department had organized Expert Lecture of Prof. Subhash Rajguru, Director, Maharudra Career and Management on "Personality Development" for second and third year students on 09th Jan 2017 from 10:00 to 11:30 am. This workshop has given the students not only important tips of personality development, but also good values, which will help them throughout their life it will certainly transform their personality and help them to reach the crest of success!”

Expert talk of Prof. Subhash Rajguru, Director, Maharudra Career and Management on "Personality Development"

• Expert Lecture on “Solid Modeling Using Creo 2.0”

An expert lecture was organized by the Information Technology Department for the Final Year on "Solid Modeling Using Creo 2.0" on 19th Jan 2017. Mr. Satish Maniyar, CEO, Technocad Solutions, Nashik was invited as the speaker for the seminar. Mr. Satish Maniyar guided the students regarding the concepts of 3-D Printing and advance features of solid modeling.

Expert talk of Mr. Satish Maniyar, CEO, Technocad Solutions, Nashik on "Solid Modeling Using Creo 2.0"

• **Expert Lecture on “Robotics and Gravitational Levitation”**

Mechanical Engineering department had organized Expert Lecture of Mr. Parag salvekar, Director, Kapi Kul Mechatronics Pvt. Ltd. on "Robotics and Gravitational Levitation" on 07th Jan 2017 for second year students. This lecture has given the students basic concept and application of Robotics in Industry.

• **Pre-Alumni Meeting Held at Pune**

K. K. Wagh Polytechnic Chandori organized Alumni Pre-Meet on 28th January 2017. The date of this Meet was declared in the month of December 2016 itself and the news spread far and wide by using social media. The Meet was attended by 03 alumni from ME department, 01 alumni from CO department & 01 alumni from EE department of batches that completed diploma in year 2011,2012, 2013, 2014, 2015 and 2016.Registrations began by 10.30 am. It was a great pleasure to know about alumni’s accomplishments in their professional lives. All the alumni and members of KKWP Chandori faculty gathered at hall around 11.30. The occasion was graced by 05 Alumni from our institute. The session was also attended by all HOD’s of K. K. Wagh Polytechnic, Chandori & Alumni. Finally all alumni and staff members enjoyed a delicious lunch.

Staff and Alumni’s gathered at meeting

• **Expert Lecture on “How to prepare for the Interview”:**

Civil Engineering department had organized Expert Lecture of Mr. Subhash D. Rajguru, Director of Maharudra Academy, Konark Nagar on 7th January - 2017 from 10.00am to 12.00 pm . Students got information about Personality Development And Soft Skill Development. He also explain importance of skill and how to improve it.

Mr. S.D. Rajguru (Director of Maharudra Academy) delivering the session on “Personality Development and Soft Skill Development”

• **Expert Lecture on “Networking”**

Department of Computer Engineering had organized an expert lecture on the topic “Networking”, dated 14/01/2017, Saturday, at 11.00 am. The resource person Mr.Yogesh Bagul is having a lot of Experience in the area of Computer networking and troubleshooting. Speaker gave information about What is networking (Computer networking), different networking devices, connecting two similar devices, half duplex and full duplex communication, career opportunities in networking, DHCP server and DHCP Client.

Yogesh Bagul, New dream learning center delivering lecture

• Industrial Visit to “Nashik Engineering Cluster” (NEC)

All the students of third year Computer Engineering visited Nashik Engineering Cluster on 20/01/2017. Student visited different departments of NEC which provides services to other small scale firms. Those services are: Product development value chain, Calibration & testing, Skill development, Business services etc. Student also visited different Laboratories of NEC such as: Rapid Prototyping Lab, Meteorology Labs, Calibration Lab, Electrical testing Lab, CAD-CAM Lab etc.

Mr. Nilesh Kokate, Head of HR Department, provided guidelines regarding courses offered in NEC such as: NX, CATIA, AutoCad, Pro E/ Creo, Solid Edge, HyperMesh, Teamcenter.

Visit to Nashik Engineering Cluster

• Personality Development Program on “Today’s Youth & Swami Vivekananda”

The department of Computer Engineering had organized “Personality Development – “Today’s Youth & Swami Vivekananda” program on the occasion of Youth day on Tuesday, 24/01/2017, 1.30 p.m. to 3.30 p.m. Students of first year diploma engineering were present for the same. Mr. Samrat Malvadkar, Joint Secretary, ABVP India motivated the students by his inspirational speech and he focused on social responsibilities, self-motivation, self-satisfaction and career goals. Students were very much excited to know about Swami Vivekanand’s life and his vision about life.

Mr. Samrat Malvadkar, ABVP delivering the seminar

Prof. Mrs. V. R. Khapli
Principal
